Silhouette, 2006. Mass Market Paperback. Condition: New. First Edition. 299 p; At first, the warnings in Isabella DeMarco's nightmares seem the likely result of the stresses in her life: the anniversary of her mother's tragic death, her anxiety over applying to the police force, or what her acceptance might do to her protective cop father. Then she begins to hear voices in her head when she's awake. Slowly she realizes that she's not going crazy -- she's reading people's minds. And that's just the beginning. When the mysterious Jean-Marc enters her life, he introduces her to a dark world beyond anything she's ever imagined and powers she never knew she had. Now he will lead her to her destiny. or her ultimate destruction.
